

TOGETHER Daniel Kušan

SYNOPSIS

TOGETHER | Daniel Kušan short fiction | 21 min | Croatia | 2014

She is an unemployed mother with a two-year-old child. She is trying to find a job and to carry on with normal life in a crazy world in which relaxed moments are unusually valuable. The only sort of support she has is from her husband, who she talks to over the phone during the day. He works at a car store and will soon lose his job. He is furious at the situation he is in, which makes it impossible for him to take care of his family. Telephone conversations with his wife are superficial, discontinuous and not intimate enough. The only thing they are left with is to survive until the end of the day, survive a bunch of unimportant people and situations which only waste their time, and find peace in their home, togetherness, in family.
